## Our Inspiration

Shri Bankatlalji Lahoti

## Shri Bankatlalji Lahoti

Shri Bankatlalji was a well known businessman. His business was headquartered in Gulbarga. The business centers were extended to Hyderabad, Latur, Sulepeth, Nanded, Hingoli and certain regions of Karnataka. His brotherly love to Puranmalji was unparalleled and was equally reciprocated by the other. Shri Puranmalji was far-sighted figure in social activities and was supported by all means, more so financially by Shri Bankatlalji. He was reserved in his talk. He was a noted businessman with all qualities of honesty, integrity and candor. He took keen interest in lending a strong support to his dear brother Puranmaji in his social activities.

Great men never die but always leave their footprints on sands of time. In early 1980 the Sanstha decided to establish an English medium school to prepare students to face global challenges of the age of Information Technology. Shri Bankatlal Lahoti English School is a glowing tribute to his philanthropic personality.

## Sanstha President's desk

**'Knowledge is power.'**

I welcome you to Our Marwadi Rajasthan Shikshan Sanstha's Shri Bankatlal Lahoti CBSE English School. SBLES has a strong focus on providing excellent ambience and infrastructure in which intellectual capital will thrive and bloom.

Sanstha has taken place with the vision of providing excellence in education to bring overall change in people's life. This noble mission to educate the people from general, rural, urban, social and economical backward classes is continued for over 80 years. I invite you to experience, explore, play, learn and get motivated to meet the challenges to shape your career and future. Welcome to SMRSS family.

## School Chairman's desk

**"Education is the passport to the future, for tomorrow belongs to those who prepare today!"**

The School has been working strenuously for last 39 years to develop exceptional students from all backgrounds to serve a meritocratic India. Differentiated learning and teaching strategies along with an inclusive approach are at the core of the curriculum.

Academics at SBLES challenges the intellect and nurtures the potential of each student to acquire knowledge, concepts, and skills necessary to become thinking, productive, and responsible citizens. Sports has been an integral part of SBLES education.

The co-curricular program is our soul where the aim is to promote the spirit of exploration, curiosity, character development, team building, building strategies, leadership, individualism, and overall empathy for all.

May you all continue to scale greater and insurmountable heights of excellence. I take this opportunity to congratulate the principal, staff, and students; every effort of the team is highly appreciated who has contributed towards making learning so meaningful.

## Principal's desk

### Educational Success is a Journey, Not a destination!

SBLES has always strived for the excellence in Academic progression as well as the overall development of the students. The impeccable curriculum design of the school is integrated with a lot of activities, assessment sheets and timely analysis of students' progress. Our dedicated teachers make schooling joyful and enable students to step up the stages of development. The support staff at school ensures security and pious ambience. It helps to cover all the aspects of child's personality development with the core values of our culture.

Students learn best in the learning friendly environment that SBLES offers to every individual. Let the inner potential of your child find best place to thrive it.

## Academic Head's desk

**Mr. Vikas Yevate**  
Academic Head, SBLES, Latur

### Learning Never Exhausts the Mind.. Keep Learning Continually..

Education is a blend of academic excellence and creativity. At SBLES we encourage and empower our students to learn at least one new thing daily.

School has meticulously planned curricular and co curricular activities. Every student is given ample focus that makes them feel respected, appreciated and loved by all. They develop personal responsibility, self control, good decision making skills, self confidence, and high moral values. This learning process involves and revolves around an effective partnership between home & school.

The stronger the partnership is the more your child will benefit. Do feel free to raise your queries and put your suggestion to give best learning opportunities to our future hopes.
